

Our Mission

The mission of the North Penn YMCA is to make the community we serve a better place to live. Through our programs and activities, we strive to enrich and strengthen families; provide wholesome supervised recreation; offer positive learning, leadership and character development opportunities, and promote wellness for all people regardless of ability to pay.

All Are Welcome

Our child care programs are available to all families, regardless of race, religious creed, disability, gender, ancestry or national origin, or economic circumstances.

Financial Assistance

It is the policy of the YMCA that no one be denied membership or program participation due to inability to pay. Funds provided by the North Penn United Way and our Strong Kids Annual Gifts Campaign enable us to provide financial assistance to those with a demonstrated need.

About Our Program

Good child care is at the heart of a strong, healthy family. That's why at Wiggles & Giggles, we are dedicated to nurturing each individual child and the growth of the whole child—physical, social, emotional, cognitive and spiritual.

We are committed to providing a safe, secure learning environment with developmentally appropriate activities and enjoyable experiences.

For **infants and toddlers**, personal attention, rich sensory experiences and a generous supply of giggles are a big part of their day.

Preschoolers learn the importance of making choices, taking turns, developing language skills and working in a group while they play games and create to the limits of their imagination.

OUR CURRICULUM

Your children are discovering all kinds of exciting worlds. That's why we carefully design every activity to expand their imaginations and encourage lifelong, positive values. Our curriculum is based on interesting themes, and includes:

- Creative Play
- Socialization
- Reading Readiness
- Circle Time
- Arts & Crafts
- Music
- Science
- Math
- Games
- Physical Activity
- Character Development

Every day, a child learns something new. At YMCA Child Care, each child learns something valuable.
