

Each day at the Harleysville YMCA Early Childhood Center, we nurture the potential of every child. Because the early years are so important to a child's life, we are dedicated to making them the most enriching.

The Early Childhood Center offers a wide variety of experiences that help the children to learn, grow and thrive. Our goal is to stimulate the children's academic abilities and creativity while fostering the development of their social skills and individuality.

The Y's core values of caring, respect, honesty and responsibility are woven throughout our early education and child care program to create a warm, nurturing environment for children; a home away from home, where they feel secure and confident to discover their potential.

Your peace of mind and your child's growth, development and education are important to us, as we strive to ensure strong beginnings for the children.

OUR MISSION

Our mission is to make the community we serve a much better place to live. Through our programs and activities, we strive to enrich and strengthen families; provide wholesome supervised recreation; offer positive learning, leadership and even character development opportunities, and promote wellness for all people, regardless of ability to pay.

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

STRONG BEGINNINGS

- » games
- » language arts
- » math
- » science
- » music
- » gym
- » creative play
- » outdoor play
- » lunchtime
- » quiet areas
- » lots of fun!

A NORTH PENN YMCA Youth Program Membership is included with Kindergarten Enrichment enrollment. Full facility branches are located in Harleysville and Lansdale.

KEYSTONE STARS
3 DESIGNATION

Keystone STARS is a quality rating system that promotes quality improvement in early learning and development programs and school-age child care.

A **Keystone STARS** designation informs parents that their children are in a safe, respectful environment.
