WELCOME

Welcome to our Summer Camp programs at the North Penn YMCA. This summer we'll explore the world around us and to develop character and skills. Age appropriate groups allows campers to get to know each other. Camp activities like art, music, nature, swimming and sports are designed to build confidence, new skills and untapped talent. Themes, field trips and special activities are part of the adventures of our camp. One week or the whole summer, kids will have fun, build confidence and make friends in a safe and enriching summer camp environment.
