

SUPPORTING OUR MEMBERS

“For the past 18 months we have had more responsibility on our plate than ever before. In addition to taking care of our four young children, we have been helping our in-laws who were on a reverse mortgage and came up with minimal funding. We have more bills than ever before.

The financial assistance was a God-sent for our extenuating circumstances so our child care could be well taken care of while we are at work.

Thank you for your generosity.

Now more than ever, it takes a village to care for our children!”
