Dear

Now more than ever, we need your help! Our YMCA has been working tirelessly to ensure every person in our community has the support they need to navigate these difficult times. Despite ongoing challenges, 2023 was able to be a year of service like no other. We're so very proud that, thanks to the generous contributions of donors like you, we've been able to continue to provide support for members of our community.

After being able to serve more than 7,500 people through our charitable services last year, this year we are striving to make an even larger impact, reaching to provide services to more children, families, and seniors than ever before.

"I am a mother of two children and after a long time without taking care of my mental and physical health, I decided to come to the Y with a friend. I was terrified to work out because of how intimidating it can be to start this journey. But let me tell you, this is the NICEST environment! I started needing to come to the Y. I started falling in love with the joyful and kind front desk staff. The personal trainers, and the child care staff are way beyond staff, they feel like family. I just got approved for financial assistance and I am in tears thinking this is the best Christmas gift ever. Now I am all engaged with getting my health back on track with wonderful facilities and in a fun way, involving my daughters and helping them to live in a more active and healthy way! I am a work in progress but I can tell that the best is yet to come! Your generosity and wonderful work is creating an impact for many generations! Thank you, Thank you, Thank You!!!!"

We know the need in Montgomery County is great, and the challenges we face won't disappear overnight, but with your continued support, we can help ensure everyone in our community has access to the services, resources and opportunities they need to thrive.

Please make a tax-deductible donation to the North Penn YMCA and help create a stronger community for all. The Y. Forever in service. For a better us.
