Capoeira	A Brazilian art that combines music, dance, martial arts, acrobatics, and spirituality. Capoeira can be used as a self-defense art or as a way to maintain spirituality and promote intercultural understanding. Favoring movement over fixed stances, the practitioner's body will learn to flow with the "Ginga", the rocking step that is the center point of capoeira. As the student's skill evolves and their body learns to flow, acrobatic maneuvers involving hands on the ground and inverted kicks can be explored. Practiced as a dance, the student's coordination will improve through the rhythm of movement, and the wide range of motion will increase the strength and flexibility of any practitioner. EZONE

The Esports and Gaming Center is for individuals age 7 and older. Younger gamers are welcome with adult supervision. Our center is designed to create a comfortable social gaming experience for every type of gamer. Enjoy popular games and top of the line gaming systems that are designed to create an inclusive gaming experience! Get the competition started by enrolling your middle or high school student in an engaging Esport League. All levels of experience are welcome with many games to choose from including Rocket League and Fortnite. Esports is a competitive sport through video game that requires the use of strategy, collaboration, and problem solving skills to achieve individual team success.
