GENERAL INFORMATION

CAMP ADMISSIONS

THE NORTH PENN YMCA Camp Program admits children without regard to race, color, religious creed, disability, ancestry, national origin, or gender. The North Penn YMCA will make reasonable accommodations for children who are protected by the American with Disabilities Act (ADA) or Individuals with Disabilities Education Act (IDEA).

IEP and SPECIAL NEEDS

If a child has IEP, special needs or needs to take special medications (i.e. insulin, epipens, inhalers, etc.) then our programs may need to make reasonable accommodations.

The North Penn YMCA requests parents to contact the program director before completing your registration packet. Please use the contact information found in Camp Office section on page 5 of this handbook. A meeting may be requested by the Program Director to determine if our childcare or Summer Camp Program is the appropriate care facility to meet your child's needs.

We reserve the right to ensure the safety and wellbeing of all children in our program and will make a decision based on the child's needs and the ability of the program to ensure those needs is met through reasonable accommodations. Please note that our program may not always be the best match for all children. We want the very best for every child and it is our hope that we can be the match he / she needs. If we are unable to make reasonable accommodations to meet the needs of the child, we will be unable to register them and will suggest alternative means of care in our area. If the child is enrolled and it is later found that even with reasonable accommodations, the program cannot meet his or her needs, there is a possibility that the children will be withdrawn from the program and alternative care in the area will need to be found. **Please attach a copy of your child's IEP if there is one available. We are committed to providing the optimal environment for all of our children, and the IEP allows us to continue with the care plan the district has identified for your child. Information in the IEP will be kept confidential.**

ABSENCES

If your child will not be at camp that day, please call the camp office to notify camp staff.

EMERGENCY CONTACT INFORMATION

Complete emergency information including emergency contact persons is required prior to the start of camp. If there are changes to this information, it is the parent's responsibility to update as needed. Please inform the emergency contact person of their responsibility, and notify them of camp procedures and trip information, should you not be able to be reached. This information is kept on-file at the site of the camp.

PARENT COMMUNICATION

Camp communications to families will be sent via email, paper newsletters, and or the Brightwheel app. If camp needs to reach a parent, they will do so via the phone numbers listed on the emergency contact sheet through an authorized YMCA phoneline via a phone call or text or via email.

Per YMCA standard operating procedures, camp staff are not to contact parents using their personal cellphones, texts, emails, or social media. We ask all families to refrain from accepting these lines of communication and to notify camp leadership if they are contacted by these methods.

UNAUTHORIZED PERSON SEEKING CUSTODY

For safety purposes, children will not be allowed to leave with anyone except the people whose names are listed on your child's emergency information form. Children will not be released to anyone under the age of 18. Our staff will request a photo identification of pick-up person as

proof of identity and driver's license. In order to provide the best protection for your child, we cannot release the child to anyone who is not listed on the emergency form unless we receive written permission from you in advance.

It is important a parent/guardian provide the Day Camp Director with certified copies of Court Orders for Custody of children enrolled in our camp programs. We cannot legally deny a parent/guardian access to a child unless we have been notified that the parent or guardian's custodial rights have been limited or revoked. The only legally acceptable notification is the certified copy of the Court Order. If an unauthorized person arrives to pick up a child, the staff will contact the custodial parent/guardian.

LOST AND FOUND

Our staff will place all forgotten possessions every in our Lost and Found. Although we make every effort to recover lost items, the YMCA is not responsible for lost articles of clothing, other personal items, or money. Items not claimed by August 31, 2023 will be donated to charity.

RAINY DAYS

Camp is operational on rainy days. Some activities are modified to be inside the YMCA building. As much as safety allows, we will continue activities outside. Please send rain gear and dress in clothes that can get muddy. NO activities will take place outside during severe weather or thunderstorms.

SWIMMING AND POOL RULES

Swim days and availability of swim time will vary with the camp program. When using public pools and water parks, all campers must follow additional rules posted by the facility.

POOL RULES

- Running on deck, pushing, horse play, flips, breath holding and jumping in backwards is not permitted for your safety. Hanging on ladders and recreational flotation devices are not allowed.
- Glass containers, food, gum, & beverages not permitted in the pool area.
- Bathing suits must be appropriate, no cut-offs or t-shirts.
- Shower before entering the pool.

WHAT TO BRING TO CAMP

Campers will need to wear clothing, sneakers only and socks suitable for sports, being outdoors, doing crafts and generally getting hot and dirty.

Items a child brings to camp must be labeled with his/her name. On a daily basis, campers must bring a backpack with the following items:

WHAT TO LEAVE AT HOME

Campers may only bring the items noted above as requested by the Camp. Please leave all personal items, electronics, cell phones, etc. at home.

CELLPHONES

The North Penn YMCA has a NO CELL PHONE POLICY at Camp.

This opportunity could be one of the only times in your child's life when they are disconnected from technology. Leaving phones at home allows campers to focus on being a kid, relationship-building and being 100% present at Camp.

Campers found with cellphones will be requested to put the cellphone in their bag for remainder of day. The North Penn YMCA asks families to counsel that if their camper needs contact home, the camper should speak with a counselor, the Head Counselor or the Director. Parents will be contacted if any problems arise or if their child is experiencing a challenge in adjusting to camp life.

Cell Phones are a liability to camper safety: Research shows that cell phone use by youth in general can lead to bullying and unsafe environments. By removing a camper's access to technology, we avoid possible exposure to the following:

- Bullying via social media
- Inappropriate materials outlined in our section titled 'Inappropriate Materials'
- Unauthorized photographs and videos of other campers
- Homesickness due to lack of immersion into the camp environment

If you have questions or concerns about our Cell Phone Policy, please contact the camp director of your camper's location.

The parent/guardian has a maximum time frame of one hour to pick-up their child; after one hour we will move to contacting the emergency contact in our system. Teachers cannot properly care for the sick child without interfering with the care of the other children. If a child exhibits any signs of contagious disease, you will be asked to provide a medical evaluation. A child may be sent home or may not be admitted into care at the center for the following situations:

- Minimum temperature of 100.4 degrees orally or 100 from the armpit (this excludes reactions children may be having from immunizations). Note: Children need to be fever free (without fever reducing medication) for 24 hours prior to returning to care.

The Department of Human Services requires whenever there is an illness that is infectious or contagious that we notify all the families. The American Academy of Pediatrics supplies childcare centers with informative handouts for staff and families. Classroom staff will be responsible for distributing informational handouts to families with children enrolled. Certain diseases are reportable to the Board of Health and may result in your child not being able to attend child care until cleared by a physician.

BATHROOM & HYGIENE

Students enrolled at summer camp or in the school age care programs must be potty trained before beginning with the school year or camp program.

- A. A potty trained child:
 - a. No longer wears diapers or pull ups at school
 - b. Can tell the teacher when he/she needs to go to the bathroom
 - c. Can attend to his/her own hygiene.
- B. We understand that children will have occasional bathroom accidents. However, if a child is having consistent bathroom accidents, the program will take these steps.
 - a. If a child may have accidents, it is requested that parents/guardians provide the necessary supplies to clean up (wipes, pull ups, etc.) and changes of clothes to be kept on site in case of need
- C. If no such supplies are on hand, a parent/guardian will be promptly called to pick up child so the child may be taken home. This is to protect the health and hygiene of the child.
- D. The parent/guardian will be called for every accident. A parent/guardian or designated emergency contact pick up person should be on site within 1 hour to pick up.
- E. The director will meet with the child's parent/guardian to determine a cause and/or if a plan of action can be developed to help the child be successful. Some examples are developing positive charts and giving bathroom reminders at specific times.
- F. If repeated accidents continue to occur, an evaluation will be had between the director and family to see if the program is suited to meet the needs of the child after all reasonable accommodations have been met. If at that time it is found the program has made all accommodations possible, a decision may be made to depend upon if the program is the right program to best meet the needs of the child.

INJURY AND ACCIDENT PROCEDURES

In the case of minor injury, staff certified in first aid procedures will attend to the child and the parent will be contacted. The staff person on the site will fill out an accident report at the time of the accident/incident.

In the event of an emergency, 911 will be called first followed by a call to parent/guardian/emergency contact. A staff person will accompany the child to the hospital and stay until the parent/guardian/emergency contact arrives. It is necessary you keep the North Penn YMCA up to date on telephone numbers, emergency numbers and other pertinent information.

MEDICATION PROCEDURES

Camp/childcare staff may not dispense Prescription medication of any type without a physician's current written instructions and written consent from the child's parents/guardians. All medications must be kept in their original child-resistant containers, labeled with the original prescription label, and should be handed to the camp site director.

For over-the-counter medications, parents/guardians will provide the medication in a child – resistant container. The medication will be labeled with the child's name, specific instructions for administration and storage, and the name of the health care provider who recommended the medication.

Staff will have the parent/guardian complete the daily medicine log giving them permission to administer the medication to your child. Medication will not be used beyond the date of expiration on the container or beyond the expiration of instructions provided by the physician.

SUNSCREEN POLICY

Application of sunscreen is an important part of protecting your child from the harmful rays of the sun. North Penn YMCA day camp participants spend a great deal of time in the outdoors and are thereby exposed to the sun's harmful rays. Since it is our commitment to promote healthy spirits, minds, and bodies, we have made the following policies in this regard:

- All campers and staff will wear sunscreen with a SPF of at least 15 on all exposed skin, including lips, daily, even on cloudy days.
- Parents or legal guardians will be responsible for providing their children with enough sunscreen {in a sealed container} to take with them for later day applications. One container per child, please. Sprayable sunscreen is recommended.
- Camp staff will be responsible for ensuring thorough follow-up applications after one hour in the water, after two hours of activity in the sun {due to perspiration}, or any other time as needed. Please note, campers will be responsible for applying sunscreen themselves. Camp staff will give limited hands-on assistance to ensure sunscreen does not go in eyes, nose, or mouth.
- For campers who have fair skin, freckles, or numerous moles; have blond, red, or light brown hair; have blue, green, or gray eyes; tend to burn easily and tan little or not at all; and have a family history of skin cancer, we recommend an extra T-Shirt be brought to wear in the water outside swim only for additional protection.

HEAT EXHAUSTION

In an effort to keep our campers and counselors safe from dehydration and heat exhaustion, water is readily available for our campers and staff.

- **PLEASE BRING A WATER BOTTLE WITH THE CAMPER'S NAME ON IT EVERY DAY!**

Please note that these decisions were made to protect your child. Furthermore, our staff members have been trained on this subject and understand their responsibilities and the consequences for failure in observing this policy.

CAMP SAFETY

FIRE DRILL

Fire drills are completed monthly. An alarm will be heard and all of camp will proceed in an appropriate manner to a designated meeting place. A record of drills is kept on-file noting the date, time, and length of drill.

EVACUATION PROCEDURES

Procedures have been developed for emergency evacuation. Staff is trained in procedures for evacuation due to unforeseen emergencies.

LOST CAMPER AND LOST BATHER DRILLS

Drills are completed each weekly session. Camp staff is trained in appropriate procedures for each site and the procedures are reviewed with the campers prior to the drill.

REPORTING SUSPECTED CHILD ABUSE OR NEGLECT

The North Penn YMCA staff is mandated by state law to report all suspected cases of child abuse and neglect to the appropriate authorities. Any staff member who fails to report any suspicions may be subject to criminal prosecution. Staff is prohibited from conducting their own investigation of suspected child abuse or neglect and may not always notify you of their suspicions. Staff receives regular training regarding the signs and symptoms of abuse and neglect. If you have questions regarding the reporting of suspected child abuse and neglect, you should contact the Camp Director.

CHILDCARE FOR FAMILIES OUTSIDE THE YMCA

The North Penn YMCA staff policy states staff may not use employment at the YMCA to develop a situation where they will be alone, outside the YMCA, with children they meet in the YMCA programs. This includes babysitting for children in our childcare/camp programs. Please do not ask our staff to baby-sit for your children as they are strictly prohibited from doing so. Staff are not permitted to attend birthday parties or social events hosted by families of current or past enrolled children outside of YMCA-sanctioned programming

BEHAVIOR AND DISCIPLINE

The North Penn YMCA camp staff will model expected behavior and help children set clear rules. Staff will provide structure and routine to the daily schedule. Staff will intervene promptly and provide coaching to promote children's development of respect for others.

It is our policy to keep misbehavior in perspective, recognizing every infraction does not warrant attention and identifying those that can be used as a learning opportunity. It is also our policy to resolve conflict with non-violent means. Similarly, we must insist that children participating in our programs refrain from threatening and violent behavior

towards staff or children. Behavior that infringes upon the safety of the child or other children such as: attempting to leave a supervised area without permission, bullying, or abusive acts towards others, is considered chronically disruptive behavior.

All participants must be able to demonstrate the following minimal guidelines:

- Must be able to maintain personal care without staff support
- Stay with assigned group
- Respect others (listen, follow directors, use appropriate language, keep hands to self)
- Keep self-control

Chronically disruptive behavior will be dealt with in the following manner:

1. A verbal warning will be given to the child along with a reminder of acceptable behavior.
2. If the behavior continues, the child and staff will complete a discipline referral sheet. If warranted, a parent/guardian will be notified.
3. In the event of a second discipline referral, and/or if the child continues with the chronically disruptive behavior, a meeting will be scheduled with the Camp Director, appropriate staff, and parent /guardian in order to determine conditions for the child remaining in the program.

Any child who continues to be a discipline problem is subject to suspension and/or expulsion at the Camp Director's discretion. Any child who purposely endangers or injures himself/herself, a staff member or another child is subject to immediate expulsion by the Camp Director. No refunds will be made for the remainder of the camp session if this occurs. We are dedicated to the wellbeing of children and staff, and because of this we will take a firm stand on any types of bullying or aggressive behavior by any camper.

THERE IS A ZERO TOLERANCE POLICY FROM HITTING AND BULLYING
